

SUSTAINABLE MUSEUM

THE DIVERSE SURROUNDING RESIDENTIAL, EDUCATIONAL AND RECREATIONAL LAND USE FOUND IN THIS AREA BRINGS TOGETHER THIS NEIGHBORHOOD, INSPIRING THIS MULTINUCLEUS SUSTAINABLE BUILDING. THE FIVE-STORY BUILDING BOASTS A LARGE OPEN-AIR THEATRE, A TRENDY CAFE, A MUSIC HALL, FOUR ART GALLERIES, CLASSROOMS, AND A LARGE, OPEN GREEN AREA - ADDING MORE SIGNIFICANCE TO THE COMMUNITY AND WELCOMING THE PUBLIC TO AN OPEN SPACE TO SHARE COMMON INTERESTS.
